Dear SiroccoPolpo

Decision on your Freedom of Information Request

I refer to your request of 3 April 2024, to the Department of Health and Aged Care (the department), seeking access under the *Freedom of Information Act 1982* (Cth) (FOI Act) to:

Copies of Ministerial briefs in relation to or referring to a Memorandum of Understanding (MOU) and or collaboration agreement with the New Zealand Government and or PHARMAC around Health Technology Assessment.

You have requested ministerial briefs in relation, or referring, to a Memorandum of Understanding and/or collaboration agreement with the New Zealand Government and/or PHARMAC around Health Technology Assessment.

I am authorised under subsection 23(1) of the FOI Act to make decisions in relation to Freedom of Information requests. I am writing to notify you of my decision on your request.

Additional Information

In July 2022, the Department prepared a ministerial briefing, seeking the Minister's agreement for the Secretary to sign on behalf of the Department a collaboration arrangement with HTA agencies in Canada and the UK. PHARMAC was not a member of the collaboration arrangement at that time.

FOI decision

The right to request access to a document in accordance with the FOI Act relates to documents in the possession of the department (section 4 (definition of 'document of an agency') refers).

Section 24A of the FOI Act provides that:

- (1) An agency or Minister may refuse a request for access to a document if:

- (a) all reasonable steps have been taken to find the document, and
- (b) the agency or Minister is satisfied that the document:
 - (i) is in the agency's or Minister's possession but cannot be found; or
 - (ii) does not exist.

The relevant business area within the department have conducted searches of the department's information holdings. No documents matching the description in your request were identified as being in the possession of the department.

Based on these searches, I am satisfied that all reasonable steps have been taken to find the document and the document does not exist in the possession of the department.

I am refusing your request in accordance with section 24A of the FOI Act as the department does not hold the documents you have requested.

Legislative provisions

The FOI Act, including the provisions referred to in my decision, are available on the Federal Register of Legislation website: www.legislation.gov.au/Series/C2004A02562.
