122 Documents potentially in scope

Sensitivities are outlined in the pages below from 11 to 23 which cover:

- Names of all staff that are not SES officers – this would apply to all 78 initial documents referred to above + any documents attached to those emails.
- Commercial in confidence. Some of these emails are about payments to contracted consultants engaged by the Department to do research work
- Sensitive information that involves the Minister's officer about research matters
- Sensitive information about other research projects (but do not include University of South Australia and are not related to DVA MATES Program).

SM returned - comments:

BA - part 2 of the request returned 72 documents (emails), clarity sought around:

...I assume that the requestor, Jenny, is actually most interested in correspondence related to meetings of the DDVA HREC that involved the DVA MATES PROGRAM. This is because the DDVA HREC met on both of the dates that my copies of my calendar was requested and considered the DVA MATES PROGRAM...

...seek clarification if her request is about the DDVA HREC / DVA MATES PROGRAM and the scope can be limited to "DDVA HREC and DVA MATES PROGRAM" and "HREC and DVA MATES PROGRAM".
