Description	Quantity	Unit Price	GST	Amount AUD
PO: 145420				
Works Completed:	1.00	S34(1)(b)	10%	S34(1)(b)
Remove section of property boundry fence to gain access to easement. Cut and remove tree limbs to access dig zone. Reomove pit lid to locate pipe. Fund connecting pipework full of tree roots. Excavate to locate expected connection point. Found extension of 225mm storm drain. Cut into 225 PVC storm drain extension, found to be half full of tree roots. Remove tree roots from 225 easement section, Storm water pit base and 150mm drain from neighbouring property. Replace section of 225mm drain back into storm water pit. Run hose and drain dye to locate property connection point. Found that property drains run out to street. Slow to discharge indicating blockage or damged piping.				
Excavate, Supply and install materials to replace property connection point and 90/100mm stormwater drain upto 3m in length and 1m in depth.	0.00	0.00		0.00
Remove section of property boundary fence to gain access into property and re-instate.				

Additional Charges may be included if the following occurs to complete works:

Description	Quantity	Unit Price	GST	Amount AUD
Removal of tree(s).				
Cutting and removal on concrete.				
Re-instating concrete.				
Replacing boundary fence (if needed).
