Hi

I have discussed with Peter and he would like me to be the decision maker. I will ask Sharyn to be the Peer Reviewer. s22 is acting Sharyn until 9 January.

regards

Hi Peter

Can I just confirm that you want me to be the Decision maker here?

Who would you like to nominate as a peer advise? I suggest Cathryn or Marcel.

regards

Good afternoon Peter,

A new Freedom of Information (FOI) request has been received by Finance and we require you to nominate a decision maker and peer adviser to be responsible for making an access decision on behalf of the Department of Finance.

We have sent this request to ICT Division as the recent requests that are similar were assigned to the Governance and Procurement Branch, however if you believe this is more appropriate with the Digital ID Taskforce Division we will forward to John Shepherd.

Please make your nominations by **COB Friday 22<sup>nd</sup> December 2023**.

Request			
Date received:	20 December 2023	Decision due:	19 December 2023
Applicant:	Ben Fairless (Right to Know website)		
Documents sought:	A comprehensive list of all domain names registered under the .gov.au second-level domain (2TLD).		
Previous similar requests			
22/107	<u>Applicant:</u> C Drake - A comprehensive list of all “.gov.au” domain names accessible by Australian public. <u>Outcome:</u> Refused under Section 45 – breach of confidentiality		
22/85	<u>Applicant:</u> C Drake - A comprehensive list of all “.gov.au” domain names. <u>Outcome:</u> Final charges notice – with Information Commissioner for review		
Nominations (suggested by FOI team and for you to complete)			
Decision maker*	<Marc Vickers>		
Peer adviser*	<Name of nominated Assistant Secretary>		

\*The decision maker must be an SES officer (either substantive or acting). It is recommended that the peer adviser is also an SES officer, but this is not mandatory, as it will depend upon your team and the circumstances of the matter.

A copy of the request is **attached**.

### Responsibilities

The FOI Team will notify you once a decision letter has been signed and any documents to be released have been approved by the decision maker. Otherwise the responsibility sits with the decision maker to brief up if the matter warrants it.

Kind regards

s22
