Dear [REDACTED]

Thank you very much for the phone call this evening. As discussed, unfortunately, I have been notified by the university that it does not agree to have the Lennon Wall at Curtin University. The University would like to stress that all students and staff have the right to freely express legitimate views providing, of course, that this is done respectfully and peacefully. Naturally, there is also a reciprocal right of free expression for others who may have different views. Thus, the main reason for Curtin's decision, as we have discussed, is that it could potentially evoke unnecessary conflicts between students with different opinions.

[REDACTED] is the [REDACTED] and she has kindly offered to assist in any further enquiry or arrangement relating to this matter. As we discussed on the phone, I understand that the group is not planning for any further activity on Curtin's campus at this stage but please do let [REDACTED] know if there are any plan so she can make the necessary arrangement. I have also been notified that the President of the Student Guild will also liaise with you to follow up the student group's enquiry.

My apologies that I couldn't see this initiative through but please let me know if you and the group require any other assistance.

Thank you.

Best,

[REDACTED]
