Notes:

1. Source: Department of Home Affairs

2. Includes primary and secondary applicants only.

3. On hand data can only be provided as at a single point in time.

4. On hand visa applications are reported by end-of-month figures. On hand visa applications are reported by end-of-month figures. The number of on hand visa applications are reported at 30 June 2024 in this response as the closest date with data available.

5. The Department does not have an existing report that allows extraction of grants data by lodgement date. A custom report would need to be built to prepare this data which would require an unreasonable diversion of resources from the operations of the agency. Developing the report would require coding, testing, validation of the data and data clearance. Therefore grant data for the requested months has been provided in this response.

6. The Department does not have an existing report that allows extraction of refusals data by lodgement date. A custom report would need to be built to prepare this data which would require an unreasonable diversion of resources from the operations of the agency. Developing the report would require coding, testing, validation of the data and data clearance. Therefore refusal data for the requested months has been provided in this response.

Caveats:

- *This information is provided for the specific purpose of this request.*

- *Where applicable, as per current privacy guidelines, the Department of Home Affairs' policy is to mask numbers which are less than five as <5. Other numbers may be masked where required to ensure values under 5 cannot be determined from totals.*

- *Current program year figures are subject to variation. The data is sourced from our global Departmental systems. There can be delays in transmission of information, therefore data for current program year should always be considered provisional.*
