File Number: FA24/08/01022

Dear Mr Smith

Freedom of Information (FOI) request – Decision

On 16 August 2024, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

Revised Scope 26 August 2024

Under the FOI Act, please provide a signed copy of the brief titled “Migration (Minister) (NZYQ Bridging R Visas-Grant Without Application) Delegation Instrument 2024 (ADMIN 24/039) and Related Matters” sent to the Minister for Immigration’s office on 21/03/2024 with the PDR number: MS24-000466.

Original Scope 19 August 2024

Under the FOI Act, please provide a copy of the brief titled “Migration (Minister) (NZYQ Bridging R Visas-Grant Without Application) Delegation Instrument 2024 (ADMIN 24/039) and Related Matters” sent to the Minister for Immigration’s office on 21/03/2024 with the PDR number: MS24-000466.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the documents relevant to the request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

4 Documents in scope of request

The Department has identified three (3) documents as falling within the scope of your request. These documents were in the possession of the Department on 16 August 2024 when your request was received.

Attachment A is a schedule which describes the relevant documents and sets out my decision in relation to each of them.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is as follows:

- Release two documents in full
- Release one document in part with deletions

6 Reasons for Decision

Detailed reasons for my decision are set out below.

Where the schedule of documents indicates an exemption claim has been applied to a document or part of document, my findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

6.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

On 19 August 2024, the Department advised you that its policy is to exclude the personal details of officers not in the Senior Executive Service (SES), as well as the mobile and work telephone numbers of SES staff, contained in documents that fall within scope of an FOI request.

I have decided that parts of the document marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the document, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the document has been considered for release to you as it is relevant to your request.

6.2 Section 47E of the FOI Act - Operations of Agencies

Section 47E(d) of the FOI Act provides that documents are conditionally exempt if disclosure would, or could reasonably be expected to; have a substantial adverse effect on the proper and efficient conduct of the operations of an agency.

I consider that the disclosure of information within Document 1 would, or could reasonably be expected to, have a substantial adverse effect on the proper and efficient conduct of the operations of the Department.

Managing the security and integrity of Australia's borders is integral to the operations of the Department. Any prejudice to the effectiveness of the operational methods and procedures used in undertaking that role would result in a substantial adverse effect on the operations of the Department.

Any disclosure resulting in the prejudice of the effectiveness of the Department's operational methods and procedures would result in the need for this Department, and potentially its law enforcement partners, to change those methods and/or procedures to avoid jeopardising their future effectiveness.

I consider that the disclosure of the material would, or could reasonably be expected to, have a substantial adverse effect on the proper and efficient conduct of the operations of the Department.

I have decided that the information referred to above is conditionally exempt under section 47E(d) of the FOI Act. Access to a conditionally exempt document must generally be given unless it would be contrary to the public interest to do so. I have turned my mind to whether disclosure of the information would be contrary to the public interest, and have included my reasoning in that regard at paragraph 6.4 below.

6.3 Section 42 of the FOI Act – Legal Professional Privilege

Section 42 of the FOI Act provides that a document is an exempt document if it is of such a nature that it would be privileged from production in legal proceedings on the ground of legal professional privilege.

I am satisfied that parts of Document 1 comprise of confidential communications passing between the Department and its legal advisers, for the dominant purpose of giving or receiving legal advice.

In determining that the communication is privileged, I have taken into the consideration the following:

- there is a legal adviser-client relationship
- the communication was for the purpose of giving and/or receiving legal advice;
- the advice given was independent and
- the advice was given on a legal-in-confidence basis and was therefore confidential.

The content of these documents are not part of the rules, guidelines, practices or precedents relating to the decisions and recommendations of the Department. The documents do not fall within the definition of operational information and remain subject to legal professional privilege.

I have decided that parts of Document 1 are exempt from disclosure under section 42 of the FOI Act.

6.4 The public interest - section 11A of the FOI Act

As I have decided that parts of the documents are conditionally exempt, I am now required to consider whether access to the conditionally exempt information would be contrary to the public interest (section 11A of the FOI Act).

A part of a document which is conditionally exempt must also meet the public interest test in section 11 A(5) before an exemption may be claimed in respect of that part.

In summary, the test is whether access to the conditionally exempt part of the document would be, on balance, contrary to the public interest.

In applying this test, I have noted the objects of the FOI Act and the importance of the other factors listed in section 11 B(3) of the FOI Act, being whether access to the document would do any of the following:

- (a) promote the objects of this Act (including all the matters set out in sections 3 and 3A)
- (b) inform debate on a matter of public importance
- (c) promote effective oversight of public expenditure
- (d) allow a person to access his or her own personal information.

Having regard to the above I am satisfied that:

- Access to the documents would promote the objects of the FOI Act.
- The subject matter of the documents does not seem to have a general characteristic of public importance. The matter has a limited scope and, in my view, would be of interest to a very narrow section of the public.
- No insights into public expenditure will be provided through examination of the documents.
- The release of the documents to you would allow you access to your own personal information.

I have also considered the following factors that weigh against the release of the conditionally exempt information in the documents:

- Disclosure of the parts of the documents that are conditionally exempt under section 47E(d) of the FOI Act could reasonably be expected to prejudice law enforcement functions and, as a result, the ability of the Department to protect Australia's borders. I consider there to be a strong public interest in ensuring that the ability of the Department to conduct its law enforcement functions is not compromised or prejudiced in any way. I consider that this would be contrary to the public interest and that this factor weighs strongly against disclosure.

Upon balancing all of the above relevant public interest considerations, I have concluded that the disclosure of the conditionally exempt information in the documents would be contrary to the public interest and it is therefore exempt from disclosure under the FOI Act.
