Dear CR

FREEDOM OF INFORMATION REQUEST RECEIVED – F281

I refer to your request for access to documents relating to *FOI charges letters* under the *Freedom of Information Act 1982*. You have requested:

- *The most recent 30 notices of charges issued to FOI applicants.*
- *For each of these 30 requests, if applicable:*
 - *Any subsequent decisions regarding charges following applicant contention.*
 - *Any subsequent decisions regarding charges following internal or external review.*

Excluding:

- *Personal information of FOI applicants.*

We received your request on 1 October 2024 and the 30-day statutory period for processing your request commenced from the day after that date. As your request extends to documents which require consultation with relevant third parties before making a decision, NOPSEMA is permitted to extend the timeframe by a further 30 days. You should therefore expect a decision from us by 2 December 2024. This period may be extended for other reasons. We will advise you if this happens.

You will be notified of any charges in relation to your request as soon as possible, before we process any requested documents or impose a final charge.

Please note that information released under the FOI Act may later be published online on our disclosure log <http://www.nopsema.gov.au/resource-centre/foi/disclosure-log/>, subject to certain exceptions (for example, personal information will not be published where this would be unreasonable).

We will contact you using the contact details you provided. Please advise if you would prefer us to use an alternative means of contact. If you have any questions, please contact the following officer:

Michela Giubilato, FOI Authorised Officer, foi@nopsema.gov.au

Yours sincerely

Michela Giubilato
