Dear s22

Decision on your Freedom of Information Request

I refer to your request of 17 June 2022, to the Department of Health and Aged Care (the department), seeking access under the *Freedom of Information Act 1982* (Cth) (FOI Act) to:

s22

I am authorised under subsection 23(1) of the FOI Act to make decisions in relation to Freedom of Information requests. I am writing to notify you of my decision on your request.

FOI decision

I have identified ten documents that are relevant to your request. These documents were in the possession of the department when your request was received.

I have decided:

- to give access to Document 2 in full
- to give access to information relevant to your FOI request in Documents 3 and 4
- to give access to information relevant to your FOI request in Documents 1, 5 and 6 subject to the deletion of exempt material, and
- to refuse access to Documents 7, 8, 9 and 10 as they contain fully exempt material.

A schedule setting out the documents relevant to your request, with my access decision in relation to each of those documents, is at **ATTACHMENT A**.

My reasons for not providing access to material that has been deleted from the documents are set out in **ATTACHMENT B**.

Third Party Consultation

On 12 July 2022, you were informed that third party consultation would be necessary. I considered third party contentions when making my decision.

Charges

On 5 August 2022, the department notified of your liability to pay a charge of \$495.00. On 5 September 2022, the department decided to reduce the charge to \$247.50. In response to your request for an internal review of that decision, the department decided to waive the charge in full.

Legislative provisions

The FOI Act, including the provisions referred to in my decision, are available on the Federal Register of Legislation website: www.legislation.gov.au/Series/C2004A02562

The *Privacy Act 1988* (Cth) (Privacy Act), can also be accessed from the Federal Register of Legislation website here: www.legislation.gov.au/Series/C2004A03722

Your review rights

I have set out your review rights at **ATTACHMENT C**.

Publication

Where I have decided to release documents to you, the department may also publish the released material on its Disclosure Log. The department will not publish personal or business affairs information where it would be unreasonable to do so.

For your reference the department's Disclosure Log can be found at: www.health.gov.au/resources/foi/disclosure-log

Dear s22

Decision on your Freedom of Information Request

I refer to your request of 10 July 2023, to the Department of Health and Aged Care (the department), seeking access under the *Freedom of Information Act 1982* (Cth) (FOI Act) to:

s22

Revision of scope

Following consultation with you, on 2 August 2023 you agreed to modify the scope of your request to the following:

s22

I am authorised under s 23(1) of the FOI Act to make decisions in relation to Freedom of Information requests. I am writing to notify you of my decision on your request.

FOI decision

I have identified 12 documents (with 8 attachments) that are relevant to your request. These documents were in the possession of the department when your request was received.

I have decided to:

- give access in full to information relevant to your request in one document, and
- give access to 11 documents in part, subject to the deletion of exempt and irrelevant material.

A schedule setting out the documents relevant to your request, with my decision in relation to those documents, is at **ATTACHMENT A**.

My reasons for not providing access to material that has been deleted from the documents are set out in **ATTACHMENT B**.

You were informed on 22 August 2023 that consultation with third parties would be necessary. A contention has been made that certain parts of documents should be exempt. My decision has been to grant access to some of that material. As such, the relevant third parties have review rights under the FOI Act.

As a result, I am unable to provide you with access to the information contained within document 12 until the third-party review rights have been exhausted.

The material relevant to your request which is not subject to third-party review rights will be provided to you on the payment of any outstanding charges.

Charges

The department notified you of your liability to pay a charge of \$1,060.00 on 18 August 2023 for the estimated work required to process your request.

On 21 August 2023 you paid \$1,006.00 to the department. The outstanding balance of your charges is \$54.00. Your payment for the outstanding balance of charges should be received within 30 days by way of cheque (made payable to the Department of Health and Aged Care), money order or credit card.

If you choose to pay by cheque (personal or bank) or money order it should be mailed to the following address:
