Dear Joseph Butts

Request - Administrative access

I refer to your request, dated and received by Services Australia (the Agency) on 31 January 2025, for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The Agency acknowledged your request via return email on 7 February 2025. In this email we advised that the Agency has administrative access arrangements ('the arrangements') for the release of certain documents and sought your agreement to receive documents, where appropriate, under these arrangements.

The Agency has identified one document which relates to your request. Since your request was received, the document you requested has been published on the Agency's Disclosure Log under LEX 83324. The Agency's Disclosure Log can be located here: <https://www.servicesaustralia.gov.au/freedom-information-disclosure-log?context=22>.

We did not receive a response from you to our email dated 7 February 2025, however, the Agency is satisfied it is appropriate to provide you with the requested document under the arrangements. As your FOI request is addressed by this document, it is taken to have been withdrawn.
