Dear SunPork Farms

Freedom of Information (FOI) request - Access Decision

On 9 July 2020, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

I would be keen to understand the data around the numbers of overseas workers approved under each Labour Agreement and dates start and end dates of any current Labour Agreements within the Pork industry that are currently in effect.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

4 Documents in scope of request

The Department has identified two documents as falling within the scope of your request. These documents were in the possession of the Department on 9 July 2020 when your request was received.

In addition, in accordance with section 17 of the FOI Act, the Department has used its computer system to produce two documents that contains information that falls within the scope of your request. The data produced in the documents existed in the possession of the Department on 9 July 2020 when your FOI request was received.

5 Decision

The decision in relation to the documents in the possession of the Department which fall within the scope of your request is as follows:

- Release one document in full
- Release one document in part with deletions

6 Reasons for Decision

Detailed reasons for my decision are set out below.

My findings of fact and reasons for deciding that the exemption provision applies to that information are set out below.

6.1 Section 22 of the FOI Act – irrelevant to request

Section 22 of the FOI Act provides that if giving access to a document would disclose information that would reasonably be regarded as irrelevant to the request, it is possible for the Department to prepare an edited copy of the document, modified by deletions, ensuring that the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request.

I have decided that parts of document marked 's22(1)(a)(ii)' would disclose information that could reasonably be regarded as irrelevant to your request. I have prepared an edited copy of the document, with the irrelevant material deleted pursuant to section 22(1)(a)(ii) of the FOI Act.

The remainder of the document has been released to you as it is relevant to your request.

A copy of the FOI Act is available at <https://www.legislation.gov.au/Series/C2004A02562>. If you are unable to access the legislation through this website, please contact our office for a copy.
