Hi s 22

We have received the following new FOI request from J M (Right to Know) who is seeking:

1. Any internal documents regarding co-morbidities pertinent to COVID-19 death/s.
2. Any internal documents regarding contributing factors pertinent to COVID-19 death/s.
3. Any internal documents regarding aggregated statistics pertinent to contributing factors AND/OR co-morbidities related to COVID-19 deaths.
4. Any internal documents regarding aggregated statistics pertinent to COVID-19 deaths.
5. Any internal documents regarding statistical analysis of COVID-19 deaths.
6. Any internal documents regarding the analysis of COVID-19 deaths.

Whilst we have received similar requests before and are of the assumption that a summary report does not exist in this instance, can we please receive confirmation of this? Do you think we should refer the applicant to the states and territories?

Kind regards,

s 22
