Dear Mr Bacon

Freedom of Information (FOI) request - Access Decision

On 1 June 2021, the Department of Home Affairs (the Department) received a request for access to documents under the *Freedom of Information Act 1982* (the FOI Act).

The purpose of this letter is to provide you with a decision on your request for access under the FOI Act.

1 Scope of request

You have requested access to the following documents:

I would like to request documents that describe the initial introduction of the use of Boat IDs in Australia's immigration system, from the year of or proceeding their first use.

These might be a emails or other correspondence discussing their proposed use, or plans/briefings/papers etc. that include or discuss the proposal.

If these documents are already available publically or were released in an earlier request, please simply direct me to them. Otherwise, please consider this a formal request under the Act.

2 Authority to make decision

I am an officer authorised under section 23 of the FOI Act to make decisions in respect of requests to access documents or to amend or annotate records.

3 Relevant material

In reaching my decision I referred to the following:

- the terms of your request
- the FOI Act
- Guidelines published by the Office of the Information Commissioner under section 93A of the FOI Act (the FOI Guidelines)
- advice from Departmental officers with responsibility for matters relating to the documents to which you sought access

4 Documents in scope of request

The Department has undertaken reasonable searches in relation to the documents you have requested access to.

Searches

Having regard to your request and the types of documents that may fall within the scope of your request I am satisfied that the searches conducted were extremely thorough and all reasonable steps have been taken to locate any document relevant to your request.

5 Decision

Section 24A of the FOI Act provides that the Department may refuse a request for access to a document if all reasonable steps have been taken to find the document and the Department is satisfied that the document does not exist.

I have consulted with the relevant business area and have been advised that Boat IDs have been in use since well before 2007 and while detention adopted their use, they were not developed or implemented by detention. The Boat ID links a person to a specific Suspected Illegal Entry Vessel (SIEV). Having considered this response, I am satisfied that the Department has undertaken reasonable searches in relation to your request and that no document was in the possession of the Department on 1 June 2021 when your FOI request was received. As such I am refusing access to the documents requested by you based on the application of section 24A of the FOI Act

6 Legislation

A copy of the FOI Act is available at <https://www.legislation.gov.au/Series/C2004A02562>. If you are unable to access the legislation through this website, please contact our office for a copy.
